Dear Fellow Store Owner,

We're excited to be able to offer an expanded product line and offer more services to our fellow store owners.

We know expanding products and profitability are on your mind and we would like to offer you an opportunity that requires minimal time and resources. You receive the products at a manageable cost and have the ability to cancel orders when necessary and adjust the retail price in your Lab 50. Feel free to use the suggested retail prices or create your own. Shipping is also charged to you and you can then factor it into your retail or charge a flexible fee to your customers.

If you're looking for fun new ways to help your customers cherish their memories we are here to help you.

Cheers,

Lynette Kitt  
General Manager
